5. Rationale for classification and exemption:

This report is a sanitized version of our TOP SECRET code work study on the same topic. The NO FOREIGN DISSEM was added to satisfy DD/P requirements. [REDACTED] made this request to [REDACTED] who in turn consulted with Mr. King. The final decision was ultimately made by Mr. Walsh who directed OBGI to affix the NO FOREIGN DISSEM exemption.

6. Sources used in report, study or map which have a bearing on classification and exemption:

The DD/P will shortly release an unclassified version of our labor camp study. This will be accomplished through [REDACTED] It was the contention of members of [REDACTED] that the appearance of OBGI's study at the SECRET level concurrently with their unclassified version would smell of complicity, hence the addition of the No Foreign exemption.
